

BUILDING BLOCKS TO IMPACT

INPUT

The resources invested in a project

Example:

Time, money, training, and materials used for a literacy program

OUTPUT

The immediate results of a project

Example:

Teachers trained, materials delivered, parent association engaged

OUTCOME

The short-term or intermediate results of a project

Example:

Student literacy rate, teachers using curriculum, parents interacting with learning

IMPACT

The positive, long-term changes resulting from our actions

Example:

Improvement in student achievement (that otherwise would not have happened)
