THE ROTARY DIFFERENCE

Rotary is more than a service organisation that's making a difference in your community. We're an international membership organisation made up of people who share a passion for and commitment to enhancing communities and improving lives across the world. The difference we make starts with our members.

WE SEE DIFFERENTLY:

We are problem solvers working together to achieve a better world. Our members are deeply ingrained in the communities in which they live and serve, affording them insight into local challenges and access to the leaders, resources, and networking opportunities needed to strategise and take action to make lasting change.

WE THINK DIFFERENTLY:

Rotary clubs reflect the diversity of our communities and the breadth of viewpoints that comes from our members' varied professional and personal experiences. For more than 100 years, we have been applying different perspectives to create innovative, sustainable solutions that address the needs and challenges affecting our communities.

IMPACT BEGINS WITH OUR LOCAL CLUBS

The impact our members make takes shape at Rotary club meetings and activities. These gatherings allow you to join other passionate, visionary women and men regularly to discuss and act upon community needs. Rotary club meetings are also a place to strengthen connections to friends and neighbours and form meaningful relationships that last a lifetime.

And just as Rotary helps you invest in your community, it gives you an opportunity to invest in yourself. Many clubs offer continuous learning opportunities, with a broad range of workshops, conferences, guest speakers, and more — all aimed at helping you grow personally and professionally.

HOW ARE WE DIFFERENT?

WE LEAD DIFFERENTLY:

As Rotary members we hold ourselves to the highest ethical standards. Community members, community leaders, and other organisations seek us out because they know they can trust us to be effective partners and deliver on our promises.

OUR ACTIONS MAKE A DIFFERENCE:

Harnessing our unique perspectives and ideas gives us a shared purpose — one that compels us to take action. We roll up our sleeves, leverage our personal relationships with local partners and businesses, and apply our leadership skills as a way to get the job done and bring to life the changes we envision.
